Re: EATEL Video, L.L.C. Registration of Receive-Only Satellite Earth
Stations (SESREG-INTR-2018-08341) –
Notice Pursuant to Section 1.65 of the Commission's Rules

Dear Ms. Dortch:

On May 31, 2019, Reserve Communications Computer Corporation ("Reserve") and EATELCORP, L.L.C. ("EATELCORP") completed a merger by which a wholly-owned subsidiary of Reserve, RTC MergeCo L.L.C., merged with and into EATELCORP and 100 percent of the shares of EATELCORP were thereby acquired by Reserve. *See Notice of Domestic Section 214 Authorization Granted*, WC Docket No. 19-8, Public Notice (DA 19-189, Wireline Competition Bur. rel. March 18, 2019). As a consequence of this merger, control of various subsidiaries of EATELCORP that provide domestic and international communications services to customers in the state of Louisiana was transferred to Reserve.

One such subsidiary, EATEL Video, LLC (FRN no. 0012036828) ("EATEL Video") is the FCC registrant of satellite receive-only earth stations (SESREG-INTR-2018-08341). Because EATEL Video's registration has not yet been fully processed by FCC staff, there is not yet a call sign associated with this registration. Accordingly, EATEL Video has been unable to complete its notification to the Commission of the transfer of control on FCC Form 312. Nevertheless, in accordance with Section 1.65(a) of the Commission's rules, EATEL Video hereby notifies the Commission within 30 days of this change in control of the registrant.

Please direct any questions concerning this filing to me.

Respectfully submitted,

Karen Brinkmann
*Counsel for Reserve Communications and
Computer Corporation and EATEL Video, LLC*
