Subject: RE: information needed NTS Communications File Number SES-REG-20181016-06441 Call Sign 201082

Mr. Nguyen:

Please use coordinates 32.412879, -100.868946

There are three towers at that location. Ours is the furthest North.

The coordinates you were given are for the road that accesses the site.

Please let me know if I can be of any further assistance.
