Federal Communications Commission  
445 12th Street SW  
Washington, DC 20554

April 16, 2020

Dear Federal Communications Commission,

The following is an Addendum to the Erratum for Hoosier AM/FM LLC  
File Number SES-REG-20181016-06460  
Call Sign E201103

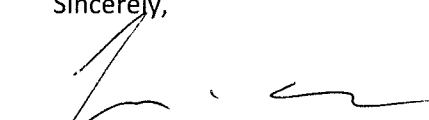

Please remove the street address in the application. That street address, when plugged into Google Maps or any navigation item actually takes you to the other side of town, to an erroneous location. However, the corrected E11 and E12 are the actual location of the Satellite Dish that the application refers to.

E11 - 40° 24' 58.69" N

E12 - 86° 6' 51.98" W

Please let us know if you need any other information.

Sincerely,

Jamie W. Dennis
