Re: C-Band Lump Sum Election of
Coastal Broadcasting of Larose, Inc. (E201650)

Dear Ms. Dortch:

We are writing on behalf of our client, Coastal Broadcasting of Larose, Inc. (“**Coastal**”), concerning its *Notice of Earth Station Lump Sum Reimbursement Election* filed on September 10, 2020 (“**Notice of Election**”) with the Commission. A copy of it is enclosed with this letter.

We are responding to a request that we received today from IBFS staff for clarification of whether the Notice of Election as filed accurately includes only Antenna 1 or should also include an Antenna 2 which is listed in the Appendix FCC Public Notice DA 20-823 dated August 3, 2020.

We hereby confirm that the Notice of Election for only Antenna 1 is correct as filed. Antenna 2 is owned by a third party, The Louisiana Network, LLC, and therefore may not be included in the Notice of Election.

Please adjust the FCC authorization for Coastal (E201650) to show its ownership of only Antenna 1. Your assistance in this matter is appreciated. Please contact us if any additional information is desired.

Sincerely,

Charles L. Spencer
