Subject: Fidelity Vision File Number SES-REG-20181022-04887, Lawton, OK

Dear Applicant:

We corrected sua sponte the site location of the antennas to be at 34°35'32.66"N,98°19'06"W because the geo coordinates you listed in the application File Number SES-REG-20181022-04887, Lawton, OK didn't pull up any antennas in sight.

Sincerely,

Trang Nguyen
