Re: E201905

In 2019, WNSR Radio (Southern Wabash Communications Corporation of Middle Tennessee) moved its studio and offices from 810 Dominican Drive, Nashville, Tennessee, 37209 to 2631B Nolensville Pike, Nashville, Tennessee, 37211.

The WNSR Facility ID is 41062.

Consequently, the satellite dish referred to as "E201905" is no longer operational at 810 Dominican Drive.

WNSR utilizes the dish number E201908 at its facility at 2631B Nolensville Pike.
