Dear Ms. Dortch:

Pursuant to the Federal Communications Commission's September 10, 2021 email instructions, Chester Telephone Company ("Chester") hereby surrenders the above-referenced receive-only earth station registration E200576 because it is a duplicate registration of earth station registration call sign E190513; SES-REG-20180904-04195.

We ask that you please update the FCC's records accordingly and contact the undersigned with any questions.

Respectfully submitted,

Eric S. Ramey
