Re: additional amended information for SES-REG-INTR2018-05380

Dear Mr. Asongwed:

Gray Television Licensee, LLC ("Gray"), by its attorney, hereby files this letter to amend the above-captioned receive-only earth station registration application.

Due to administrative error, the application contains incorrect antenna size information in response to Question E32 for Antenna ID KGWN - 1. The correct information should be 4.6 meters.

Please contact me with any additional questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Henry Gola".
