Re: amended information for SES-REG-INTR2018-05758

Dear Mr. Asongwed:

Gray Television Licensee, LLC ("Gray"), by its attorney, hereby files this letter to amend the above-captioned receive-only earth station registration application.

Due to administrative error, the application provided incorrect responses to Questions E4 and E10. For E4, the correct state should be North Dakota (ND). For E10, the correct area of operation should be Fargo, ND.

Please contact me with any additional questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Henry Gola", written in a cursive style.
