Re: amended information for SES-REG-INTR2018-06524

Dear Mr. Asongwed:

Gray Television Licensee, LLC (“Gray”), by its attorney, hereby files this letter to amend the above-captioned receive-only earth station registration application.

Due to administrative error, the application in response to Question 43 states that the antennas are used “in conjunction with station WNDU.” Please note that the antennas are, in fact, used in conjunction with station WTAP-TV.

Please contact me with any additional questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Henry Gola", written in a cursive style.
