Re: amended information for SES-REG-INTR2018-06597

Dear Mr. Blais and Mr. Asongwed:

KZJL License LLC ("Liberian"), by its attorney, hereby files this letter to amend the above-captioned receive-only earth station registration application.

Due to administrative error, the application contains information for antenna KZJL 3 (DH, Model D45MAE-MRC2), which is located at a different site. Therefore, Liberian requests that the Commission remove this antenna from this application.

Please contact me with any additional questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Henry Gola", written over a light blue rectangular background.
