Dear Secretary:

On behalf of Renaissance Media, LLC and Interlink Communications Partners, LLC (legal entities of Charter Communications) this is to advise the Commission that the referenced earth station facilities are no longer in use and the registrations should be cancelled.

These cancellations were both done online back in October/November 2007, but are still showing on the IBFS site as active registrations.

If you have any questions, please contact me at 303-323-1423.

Sincerely,

Alexis Anderten
