**Re: L-3 Communications - Satellite Transmission Systems  
Earth Station Authorizations E865137 & E900121  
Experimental Authorization WD2XGM  
Notification of Licensee Name Change**

Dear Ms. Dortch:

This is to advise that L-3 Communications - Satellite Transmission Systems, the licensee of Earth Stations E865137 and E900121, and Experimental Authorizations WD2XGM, has changed its name to **L3 Communications - Narda Satellite Networks**. This is a change in name only as a result of a corporate reorganization. There has been no change in ownership. Please update the respective databases to reflect the new licensee name.

Should any questions arise concerning this change, please communicate with this office.

Respectfully requested,

Michelle A. McClure
