Cancellation of Receive-Only Earth Station Registration

Dear Secretary:

On behalf of Falcon Community Cable, LP, A Delaware Limited Partnership, this is to advise the Commission that the referenced earth station facility is no longer in use and the registration should be cancelled.

I tried to cancel this online, but there was no FRN associated with this license on the site.

If you have any questions, please contact me at 303-323-1423.

Sincerely,

Alexis Anderten
