Re: TDS Broadband Service LLC
Earth Station Call Sign: **KB98, Hobbs, NM; File No. SES-RWL-20170707-00735¹**
License Correction Request

Dear Ms. Dortch:

On behalf of TDS Broadband Service LLC (“TDS Broadband”), this letter is being submitted to request that the Commission update its International Bureau Filing System licensing records to correct the coordinates for its receive only C band earth station located in Hobbs, New Mexico (FCC Call Sign KB98).

The historically reported coordinates for earth station KB98 are: 32° 42' 07.0" N 103° 05' 21.0" W.

TDS Broadband has recently determined that the correct coordinates for earth station KB98 are located at **32° 41' 58.0" N, 103° 06' 20.0" W**, and thus respectfully requests that the Commission update its licensing records to reflect these coordinates. This is a correction request only and is not the result of station KB98 being physically moved.

Should you have any questions about this matter, please contact the undersigned.

Respectfully submitted,

HOLLAND & KNIGHT LLP

Peter M. Connolly
Counsel for TDS Broadband Service LLC

¹ Station KB98 was previously licensed under FCC File No. SES-RWL-20020621-01028
