Re: Receive-only Earth Station E3403, Request for Licensee Name Change

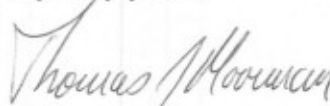

Dear Ms. Dortch:

By this letter, Consolidated Cable, Inc. hereby notifies that the Commission that the licensee name for receive-only earth station E3403 should be changed to Consolidated Cable, Inc., and that the new FRN that should be associated with this earth station in the Commission's records is FRN 0003747201. Upon consummation on March 30, 2007, of the transfer of control transaction for which Commission consent was requested in File No. SES-T/C-20070222-00263, the licensee of E3403, Curtis Cable TV Company, Inc. (FRN 0003714912), was merged with and into Consolidated Cable, Inc., a wholly-owned subsidiary of the new parent company Consolidated Companies, Inc. As a result, Consolidated Cable, Inc. remained as the surviving corporation after the intra-family merger.

Accordingly, the name of the licensee of station E3403 is now Consolidated Cable, Inc., which was previously registered in CORES and was assigned FRN 0003747201. Consolidated Cable, Inc. respectfully requests that the Commission make the changes to the licensee's name and FRN within the Commission's records.

Should there be any questions concerning this matter, please contact the undersigned.

Very truly yours,

Thomas J. Moorman
