

PLEADING TO CORRECT RECEIVE-ONLY EARTH STATION SITE INFORMATION

To Whom It May Concern:

Reference earth station registration for Insight Kentucky Partners II, L.P.

FRN 0001542604

Call sign: E6334 in Bowling Green, KY

The actual NAD83 coordinates of this active station, from Google Earth, are:

37° 00' 30.0" N Latitude

86° 26' 46.5" W Longitude

Elevation: 142.0 meters (466 ft.)

The approximately 4,700-ft. discrepancy is due to a gross mis-calculation of the site coordinates, working from USGS Topographic maps at the time. The site has always been at this location and has not been moved. Historical satellite photos included below.

Registrant requests correction in the IBFS record.

Sincerely,

Steve Flessner | Manager, FCC Relations | 303.323.6020
