SUBJECT: AT&T Surrendering Earth Station Call Signs WA34, KA413

AT&T Corp respectfully request to surrender Earth Station Call Signs WA34, KA413:

The screenshot shows the FCC IBFS web portal interface. The main content area is titled "Surrender Authorization(s)" and displays a table of call signs to be surrendered. The table has columns for File Number, Callsign, Expiration Date, and Pending Applications Associated with this License/Authorization. Two call signs are listed: KA413 and WA34. Below the table, there is a "Confirm Surrender" checkbox which is checked, and a "Next Step" button. The task bar at the bottom shows several open applications, including "Process Surrender", "Inbox", "Copy of Wireline Mis...", "2017 Wireline Project...", "Call Signs WPJ322...", and "Wireline Project".

File Number	Callsign	Expiration Date	Pending Applications Associated with this License/Authorization
