OK, to not whole up the process of your Renewal can just submit the first page of the FCC 312-R Application with the correct name, and I will take care of it on this end and you just make note of it for your files. This time I will accept the e-mail you sent to me as document to make the changes on your Renewal.

Thanks
Eleanor Lott

Ms. Lott,

I apologize - I'm not sure how to do that. If I click on the application, it does not allow me to make any changes. Do I need to withdraw the application and resubmit? If so, do I need to re-enter the payment information (and will the fee be refunded for the withdrawn application?)

Thanks,

You need to go in the web and make the changes and e-mail me that correction.

Thanks

I apologize. The name did not change - it is still Robin Media Group. I must have entered the wrong FRN. The FRN for Robin Media Group is 0002-0587-66.

Please let me know if I need to do anything to the online application to correct this.

Thanks,
