

Carolina Uplink, Inc. (FCC Registration Number 0011486636)

Temporary-Fixed Satellite Earth Station E950351

Carolina Uplink, Inc. stopped doing business in 2010, due to the economic downturn, and the satellite truck with the satellite earth station with the E950351 call sign was repossessed by American Bank (Maryland) in March 2011. Carolina Uplink, Inc. then had no remaining assets, and the corporation was formally dissolved by the filing of Articles of Dissolution with the Secretary of State for the State of North Carolina on October 4, 2012; a copy of the Articles of Dissolution are attached. American Bank made no filings to transfer the FCC license when it repossessed the satellite truck, nor when it sold the truck, and Carolina Uplink, Inc. recently was advised by the purchaser of the satellite truck that is no longer in use; therefore, the FCC license E950351 is being surrendered at this time.
