Re: Request for Modification of Earth Station Registration – Call Sign: E861035;
File No.: SES-RWL-20060720-01219.

Dear Ms. Dortch:

On behalf of Cablevision of Litchfield, Inc. (“Cablevision”), we hereby request a minor modification of the earth station registration listed below.

Call Sign	File Number	Minor Modification
E861035	SES-RWL-20060720-01219	Correct the earth station’s address to 175 Main St., Norwalk, Fairfield County, CT 06851 to conform to the earth station’s geographic coordinates.

Cablevision filed an application for modification (“application”) of this earth station registration when it certified the accuracy of the registration’s information on May 28, 2019. Commission staff subsequently suggested submitting this letter instead, in order to effectuate the modification to the registration. We will withdraw the application that now duplicates the request in this letter.

Should you have any questions regarding this matter, please contact me by phone or e-mail.

Respectfully submitted,

/s/Russell H. Fox
