Subject: License Surrender

Dear Ms. Spriggs,

Please allow this to serve as confirmation that we wish to surrender the Licenses for Callsigns E890218 and E940228, effective immediately.

As we discussed earlier, for some reason our previously submitted surrender authorization with confirmed File Number SUR-NDR-20090529-00036, dated 5/29/09, never made it into the FCC's system. As such, these Licenses still appear as active in the FCC's online database.

If you would please assist us in effectuating these surrenders from your end as we discussed, we would greatly appreciate it. Please let us know if you have any questions in this matter or need anything additional from us. Thank you very much for your help!

Regards,

Daniel Knapp, Esq.
