May 28, 2013

To Whom it may concern,

Edward Jones hereby surrenders the callsign and license for which we are currently registered and paying licensing fees. Call sign E000645 (file # SES-RWL-20101026-01339) is no longer needed as we have retired all our satellite earth stations and no longer require an FCC call sign or license for their use.

Thank you,

Matthew Hull
