Good Morning Eleanor-

On September 10, 2013, I filed the attached letter with the Commission requesting a correction to FCC IBFS Database to reflect the correct FRN for Bresnan Communications, Inc. Instead of 0017194473, the FRN that should be associated with these call signs is 0007001977.

I have been checking the website periodically and have not seen the update. I was afraid my letter never got to you, so I am forwarding it electronically.

Thank you in advance for your assistance.
Marlene

**Re: Correction to FCC IBFS Database to Reflect Correct FRN for Bresnan
Communications, Inc.**

**E2628 Deer Lodge, MT
E881093 Gillette, WY**

Dear Ms. Dortch:

During a recent review of the IBFS Database, it was determined that the Commission's database reflects the FRN associated with the referenced call signs as 0017194473. The FRN that should be associated with these call signs is 0007001977. Please correct the Commission's records to reflect this change.

Should you have any questions or require additional information, please contact me at (202) 973-4373.

Sincerely,

Marlene E. Shoemaker
