**RE: Renewal of License**

Dear Ladies and Gentlemen:

It has come to our attention that the license for MCC Georgia LLC's Fixed Earth Station WG41 was allowed to expire on 02/14/2011. This was due to an oversight. We ask that you please allow the license to be renewed without delay.

Thank you for your assistance. If you have any questions, please feel free to contact me directly.

Sincerely,

A handwritten signature in cursive script that reads "William S. Schilling".
