Re: FAA 1A Certification for GCI Birch Creek Utility Site (3.6m Dish)

On August 21, 2015, I conducted a high precision GPS survey of the facilities located in Birch Creek. The position of the structure is shown below.

Latitude: 66°15'47.20" North (NAD83)
Longitude: 145°49'10.48" West (NAD83)

Elevation of antenna base at ground: 441 feet
(Elevation is NAVD88 MSL, derived using Geoid Model 2012A)

Height to top of highest antenna: 19 feet

I hereby certify that this survey meets and exceeds the standards for an FAA 1A certification of within $20\pm$ feet horizontally and $3\pm$ feet vertically.
