Re: Supplement to License Renewal Application
Satellite Earth Station WL36
FCC File No. SES-RWL-20171010-01127

As requested by FCC staff, and on behalf of the Board of Regents, University of Wisconsin System, we submit this supplement to the above-referenced license renewal application in FCC File No. SES-RWL-20171010-01127 for domestic fixed satellite earth station WL36 at La Crosse, Wisconsin.

Please note that the site location coordinates for the WL36 facility in the existing authorization are no longer accurate. The corrected coordinates are as follows:

43° 48' 59.53" N
91° 14' 4.64" W

We respectfully request that the International Bureau associate this supplement with the renewal application and continue to process the renewal. Should any questions arise concerning this matter, kindly contact this office.

Very truly yours,

/s/ Barry S. Persh
