

PETITION FOR REINSTATEMENT AND RENEWAL OF LICENSE

Comcast of Florida/Georgia/Illinois/Michigan, LLC pursuant to Section 25.163(a) of the Commission's Rules, hereby petitions the FCC for reinstatement and renewal of its Welaka, Putnam, FL Domestic Fixed Satellite Service Earth Station under Call Sign E4958 (the "License"). Section 25.163(a) provides for reinstatement of an expired authorization within 30 days after expiration. "If the Commission, in its discretion, determines that reinstatement would best serve the public interest, convenience and necessity?"

The license was most recently renewed in 2002 with an expiration date of November 5, 2017. Due to an administrative oversight occasioned in part by significant disruptions to company operations.

Sincerely,

Sheila Smith

Director, Operations Compliance
