

### Coordinate Verification

The coordinates on the license authorization for the domestic fixed earth station E4335 are  $29^{\circ} 33' 25.0''$  N  $95^{\circ} 30' 5.0''$  W (29.55694 N 95.501389 W). In light of the more accurate GPS information detailed below, the earth station's coordinates should be modified to  $29^{\circ} 33' 37.7''$  N  $95^{\circ} 30' 6.3''$  W (29.560472 N 95.50175 W).

Pursuant to Public Notice DA 17-1127, we provide the Google Earth® Map (below) showing the location of Earth Station E4335. According to Google Earth® maps (WGS84) the station is located at  $29^{\circ} 33' 37.79''$  N  $95^{\circ} 30' 6.33''$  W (29.560497 N 95.50178 W).

The images below confirm the physical location of the earth station to be at  $29^{\circ} 33' 37.717''$  N  $95^{\circ} 30' 06.287''$  W (29.560477 N 95.501746 W).
