

Coordinate Verification

The licensed coordinates for E020338 are 29° 30' 31.8" N 98° 33' 44.1" W (29.508833° N 98.56225° W). Pursuant to Public Notice DA 17-1127, we provide the following Google Earth® Map showing this location.

For physical verification of the location, GPS readings were taken while standing at the antenna base: 29° 30' 28.118" N 98° 33' 41.092" W (29.5078113° N 98.561414° W). In the Google Earth® map below, this location is shown in purple and the coordinates directly over the antenna, according to Google Earth® (29° 30' 28.93" N 98° 33' 41.2" W, 29.508036° N 98.561444° W), are shown in yellow.

In light of the foregoing, the license coordinates for E020338 should be corrected to 29° 30' 28.12\"

N 98° 33' 41.09\" W (29.507811° N 98.561414° W), the GPS coordinates taken at the base of the antenna, which are within 3\" of the licensed coordinates and within 1\" of the Google Earth® coordinates.
