Hi John,

I can do that for you.

I will delete the site 1.

John,

You have listed 2 sites for your RWL application.

I was able to verify the site (2) at 44-3-36 N 93-13-18 W.

I couldn't verify the site (1) at 44-3-47.1 N 93-13-25.3 W.

Can you verify the coordinates of site (1)?

Thanks.

Are you using site ID #2 (license attached)?

Site ID

255 CEDARDALE DRIVE

Owatonna, Steele, MN, 5506

44° 3' 36.0" N

93° 13' 18.0" W

Elev. 370.9

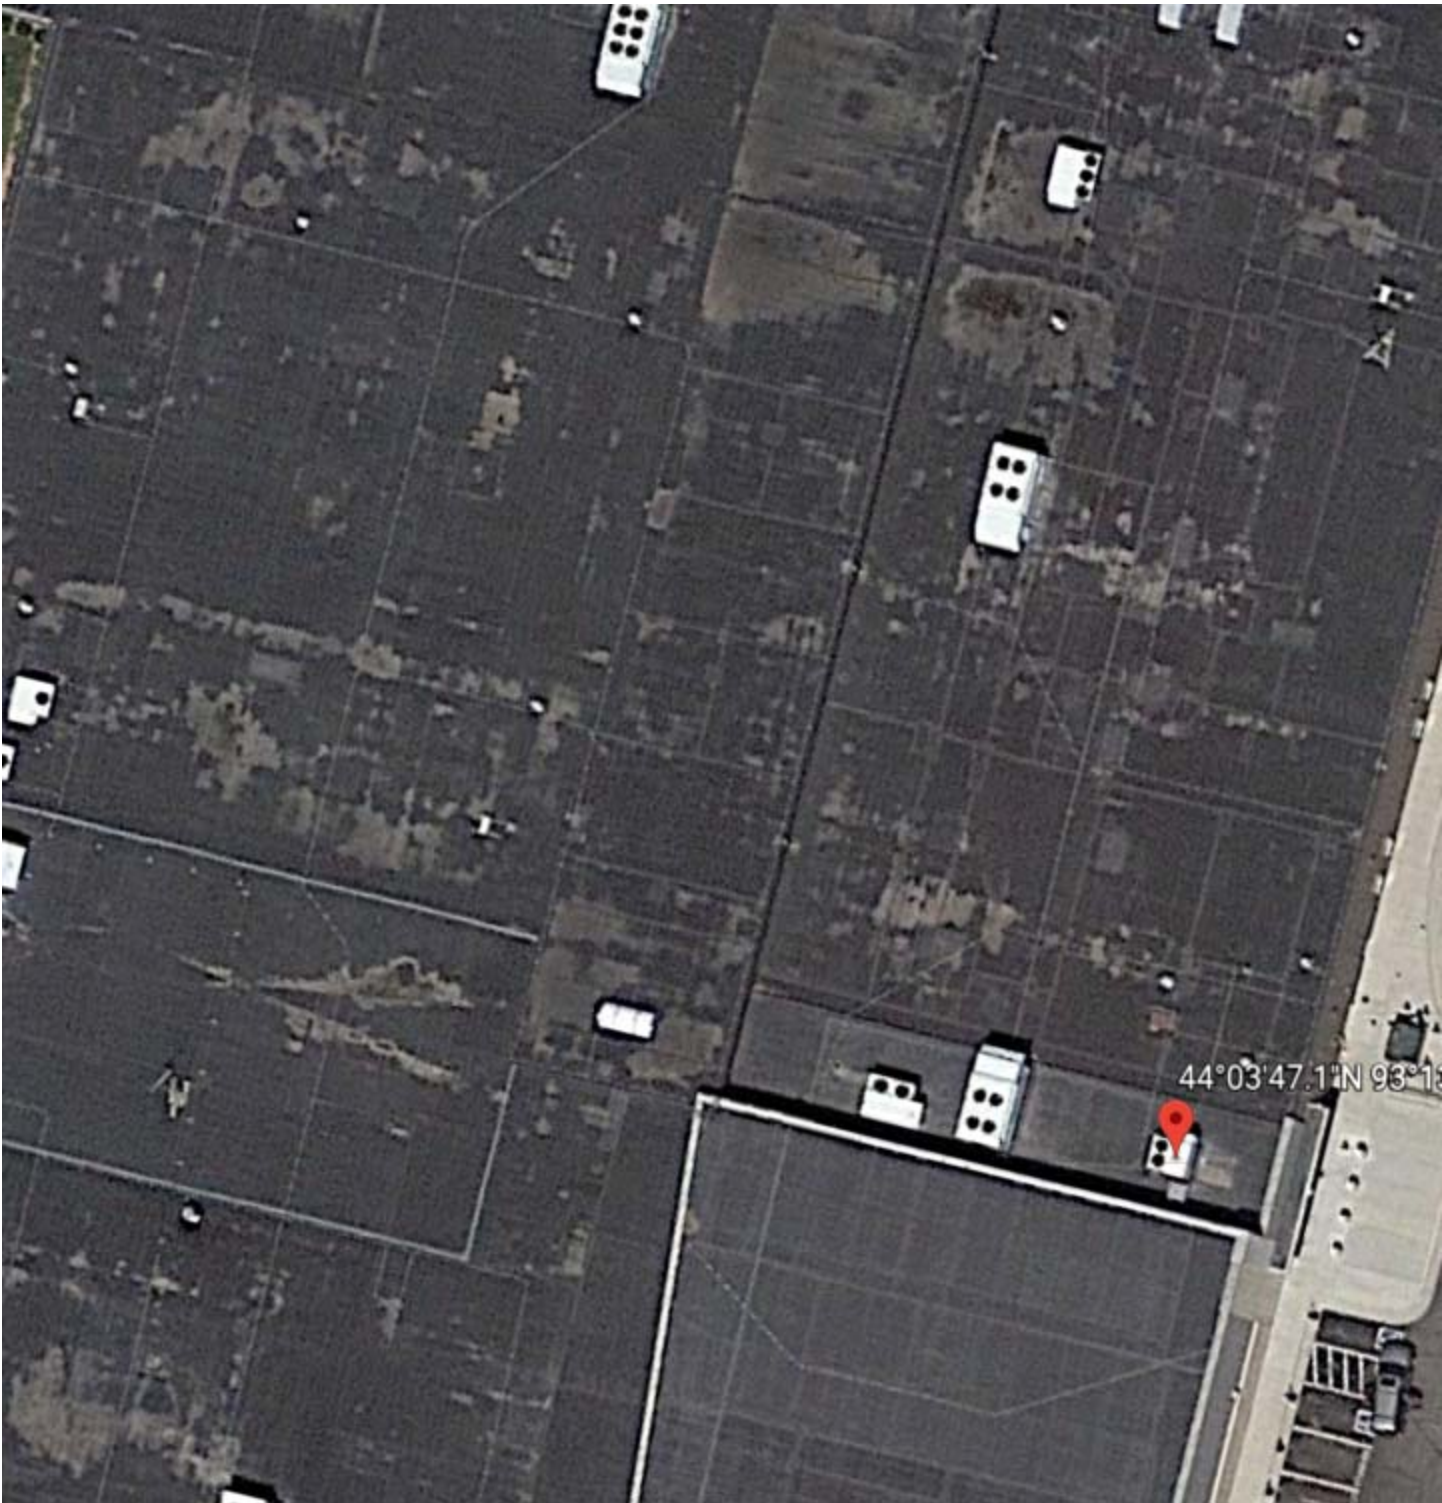

NAD 27

Hi John Neely,

I was not able to verify location and presence of your site (1) earth station at 44-3-47.1 N 93-13-25.3 W.

Please verify the coordinates of your site 1.
