

Exhibit A

Napa, California Earth Station; Call Sign E030020

In this renewal application, Intelsat License LLC requests that the license term be extended through 01/04/2035.

Additionally, per the Federal Communications Commission's guidance,¹ Intelat provides the earth station coordinates based on WGS84 datum as an exhibit to this modification application.

The current license provides the coordinates in NAD27.

The below screen shot shows the antenna location.

E030020 is located at the following WGS84 coordinates:

38° 14.' 43.5," -122° 16' 49.3"
