

**Note re: Request for Update to Postal Address on E960031 License**

This is to request that, upon renewal of the Station E960031 license, the street address at Section A of the license be updated to specify "1000 Cedar Hollow Road".

There is no change to the geographic coordinates or the elevation, this is just an update of the street address only. This exhibit is filed at the suggestion of Commission staff.

Update of Street Address at Section A to license:

~~2476 SWEDESFORD ROAD~~ **1000 Cedar Hollow Road**  
MALVERN, CHESTER, PA, 19355
