Hi Jae,

All is well and hopefully the same for you?

I just checked these.

Lines 2, 3, 4, 5, 6, and 7 can be removed as they either fall on the permitted list or are not relevant now.

Hi,

I hope all is well.

Please see below and provide an updated list of PntComms.

Please consider deleting the satellite if the satellite is included in the Permitted List.

Thanks.
