

In response to FCC Form 312-R items 5(a) & 5(b), the applicant notes that a corrective license modification filing was made in IBFS on May 13, 2022 (FCC Temporary File No. SES-MOD-INTR2022-01549, Submission ID No. IB2022001549). Because that corrective license modification application has not yet been processed by the Commission and IBFS requires entry of the last authorization File number onto the renewal form, File Number SES-RWL-20070328-00407 has been entered. Applicant notes that the facilities are operating in accordance with the referenced modification filing made May 13, 2022.
