

Petition for Reinstatement

The C-Band receive earth station, E070143, licensed to Tribune Television New Orleans, Inc. ("Tribune"), expired on July 12, 2022. Due to an administrative oversight, the renewal is being filed three (3) days late with the Commission. Pursuant to 47 C.F.R. § 1.3 of the Commission's rules, it may waive a rule if such action would not undermine the policy objective of the rule and would be in the public interest. See *WAIT Radio v. FCC*, 418 F.2d 1153, 1157 (D.C. Cir. 1969) and *Northeast Cellular Telephone Co. v. FCC*, 897 F.2d 1164, 1166 (D.C. Cir. 1990).

A grant of the instant application would be in the public interest since it would allow Tribune to continue broadcast service, which, at times includes relevant community and/or emergency alert information, to its respective viewer communities without interruption. Accordingly, Tribune respectfully requests that the Commission grant the instant renewal application and request for reinstatement.
