January 4, 2006 Staff Letter, Ref: 06RE002937
Proof of Exemption from Regulatory Fees

Dear Ms. Pride:

Hispanic Information and Telecommunications Network, Inc. ("HITN"), by counsel, hereby submits proof of its Tax Exempt as well as regulatory and filing fee exempt status and requests that this information be linked to its FRN.

As demonstrated by the attached materials, HITN is a not for profit educational foundation incorporated in 1981 under the laws of the state of New York and is recognized by the Department of the Treasury as being entitled to tax exempt status under Section 501(c)(3) of the Internal Revenue Code. Accordingly, HITN is exempt under the FCC's Rules from the payment of annual regulatory fees pursuant to Section 1.1162(c) generally, and pursuant to Section 1.1162(h) for all of its facilities associated with its operations in the EBS service.

Pursuant to Section 1.1162(c)(1) "licensees are required to file documentation of their nonprofit status only once, except upon request of the Managing Director." Unfortunately, due to an apparent Commission failure to maintain a database of tax-exempt entities by FRN number, over the past several years HITN has been forced to submit its documentation over and over again in repeated attempts to correct Commission fee errors.¹ With the new Red Light process in place such errors can have a severe and

¹ For example, HITN filed letters clarifying its non profit fee exempt status in response to erroneous fee letters from the Commission on March 1, 2005, October 4, 2004, July 21, 2003, December 6, 2002, October 31, 2002 and June 13, 2002.

prejudicial impact on the timely processing of valid HITN applications pending before the Commission. Accordingly, HITN formally requests that the Staff take such steps as are necessary to associate HITN's tax & fee exempt status with its FRN number in order to better avoid future fee billing errors and erroneous red lighting.

Please direct all questions regarding this matter to the undersigned counsel.

Sincerely,

Evan D. Carb

Re: 06RE002937

Dear Licensee:

This letter is in reference to the annual 2005 regulatory fee(s), which were due to the Federal Communications Commission (Commission) by no later than September 7, 2005. This is a mandatory fee established by Congress in accordance with The Omnibus Budget Reconciliation Act of 1993. The fees are used to offset costs associated with the Commission's enforcement, public service, international and policy and rulemaking activities.

The Commission is currently verifying its FY 2005 International Bureau regulatory fees collection to identify those regulatees who have not paid. Our research indicates that we have no record of your 2005 regulatory fee payment for the following earth station:

CALLSIGN: E050176

The amount now due is \$205.00 plus 25% penalty of \$51.25 for late payment of the fee(s). The total amount now due is \$256.25. Payment in full should be remitted with the enclosed Form 159 to: **Federal Communications Commission, P.O. Box 358340, Pittsburgh, PA 15251-5340** within thirty (30) days of the date of this letter. You should submit all payments that may be due including the 25% penalty for each call sign. To obtain a copy of the Public Notice for further instructions, go www.fcc.gov and click on "Fees." Then click on Regulatory Fees and locate your particular service.

If payment has been made, please provide a complete copy of your submission including proof of payment. If you believe you are not obligated to pay under the Commission's rules, please submit complete documentation supporting your position within thirty (30) days of the date of this letter. These documents should be sent to: **Federal Communications Commission, Revenue & Receivables Operations Group, Room 1A821, 445 12th Street, SW, Washington, DC 20554.**

We urge you to verify that proper payment was made to the Commission for this or any other call sign in past years. If you find that you were responsible for this payment but neglected to provide it in a past year, please remit those additional fees plus a 25% penalty before additional administrative action is undertaken.

You are cautioned that failure to respond and/or pay the penalty will subject you to further sanctions as defined by CFR Section 1.1164 of our Rules. These sanctions include subjecting the delinquent payer's pending applications to dismissal, and may require a delinquent payer to show cause why its existing instrument of authorization should not be revoked. Further sanctions include interest charges, and the full cost of collection to the Federal Government pursuant to Section 3720A of the Internal Revenue Code and the provisions of the Debt Collection Improvement Act of 1996.
