

Exhibit B

Fillmore, California Earth Station FIL-K11; Call Sign E970051

Intelsat License LLC, pursuant to Federal Communications Commission staff's recommendation, herein provides updates to the current license. Specifically, the following entries should be updated:

- Sections A, D, E, and F: all references to "PAS Fillmore Teleport" should be removed.
- Section E: the Antenna ID should be updated to FIL-K11.
- Section D:¹
 - 1) Permitted Space Station List
 - 2) Galaxy 3C (S2381) @ 95.05 W.L. (U.S.-licensed)
 - 3) Galaxy 17 (S2715) @ 91.0 W.L. (U.S.-licensed)

¹ The numbers in each list in this exhibit correspond to the numbering in Section D of the license. Any Section D entry not listed in this exhibit remains unchanged.
