**Re: SES Space and Defense, Inc.
Renewal and Partial Surrender of Earth Station License E980162**

Dear Ms. Dortch:

SES Space and Defense, Inc. ("SES SD"), by its attorney, hereby seeks to renew the above referenced application for one of its Ku-band transmit and receive antennas in Fairbanks, AK but seeks to surrender its existing authorization for the other antenna at the site.

Specifically, SES SD seeks to renew its existing authorization for the 9.0 meter Vertex antenna, model number 9KPC, that is currently licensed at the site under Antenna ID 1 in the above referenced license grant.

SES SD seeks to surrender the 11.0 meter Vertex antenna, model number 11KPC, that is currently licensed at the site under Antenna ID 2 in the above referenced license grant.

Please let me know if you have any questions regarding this matter.

Respectfully submitted,

/s/ Will Lewis
