RE: Petition to Renew E030340

Dear FCC Renewal Department,

I hope this e-mail finds you well. This letter is a Petition to Renew CALL SIGN: E030340 for FILE NUMBER: SES-LIC-20031126-01788.

I missed the deadline for renewal on February 9, 2019. The reason for missing the deadline was due to the inability to access the FCC log-in page for license renewals. Moreover, I sent e-mails and left voice-mails that went unanswered.

I began my renewal process in mid January 2019 during the U.S. federal government shutdown.

Since the U.S. federal government is open once again, I hope that you can approve my petition to renew and award my uplink license.

Thank you for your time. I look forward to hearing from you soon.

Very kind regards,
