

Exhibit A

Ellenwood, Georgia Earth Station; Call Sign E940532

In this renewal application, Intelsat License LLC requests that the license term be extended through 12/23/2034.

Additionally, per the Federal Communications Commission's guidance,¹ Intelsat provides the earth station coordinates based on WGS84 datum as an exhibit to this modification application.

The current license provides the coordinates in NAD83.

The below screen shot shows the antenna location.

E940532 is located at the following WGS84 coordinates:

33° 39' 50.5," -84° 16' 17.7"
