Subject: WKBW-TV - STA and Main Form 312

Jackie,

WKBW-TV License, Inc. ("WKBW-TV") has submitted an application seeking FCC consent for special temporary authorization for the use of a temporary-fixed satellite earth station. The electronically generated file number is: IB2000000006. WKBW-TV seeks to use the temporary-fixed satellite earth station to provide live coverage of the New York governor's state-of-the-state address, which will be held tomorrow, January 5, 2000. Today, we are sending Mellon Bank a remittance advice form and a check in the amount of \$135. We would greatly appreciate the Bureau's review of the application for STA prior to confirming payment since WKBW-TV would like to use the earth station tomorrow.

In addition, we have had difficulty in electronically submitting an initial application for the temporary-fixed satellite earth station on FCC Form 312. Thus, we cannot at this time submit the initial application concurrently with the application for STA.

If you have any questions, please feel free to contact me at (202) 887-4429.

Thanks for all of your help.

Mike
