Eleanor,

Thank you very much for your call yesterday.

You are quite correct that my client, Satcom Systems, no longer wishes to pursue its October 20, 2004 Request for Special Temporary Authority. SES-STA-20041020-01568.

This Request has been superceded by a grant of a permanent VSAT Network License.

We have attempted to go to the IBES in order to delete the Request. But, we have no been successful for technical reasons.

I appreciate your offer to do this for us. Would you please remove this for us? thank you.
