HNS License Sub, LLC (successor in interest to Hughes Network Systems, Inc.) ("HNS"), hereby withdraws its pending request for special temporary authority ("STA"), FCC File No. SES-STA-20050203-00134.

HNS filed this request for STA to extend its authorization to operate a Ka band test range. The Office of Engineering and Technology has recently granted to HNS an experimental authorization to operate this test range. Therefore, renewal of STA is no longer required.

If you should have any questions regarding this submission, please contact the undersigned.

Respectfully submitted,
