SES-STA-20050225-00227, Call Sign E040448

EchoStar's request for Special Temporary Authority is GRANTED IN PART AND DEFERRED IN PART. EchoStar is authorized to communicate with AMC-16 on a non-interference basis at 96.925 degrees W.L. from April 29, 2005 to June 7, 2005 consistent with the conditions imposed on the operations of AMC-16 at 96.925 degrees W.L. See IBFS File No. SAT-STA-20050111-00009 (granted on April 8, 2005). Echostar's request to communicate with AMC-16 at 85 degrees W.L. is DEFERRED. This action is without prejudice to any action that may be taken on the underlying application, File No. SES-LIC-20041201-01773 as amended by File No. SES-AFS-20050225-00226.
