## **12. Description**

This application is an electronic follow-up version of MTN's initial request for 30-day special temporary authority to provide temporary-fixed Ku-band service from five additional earth stations that are technically identical to the earth station authorized under call sign E040270. The initial request was granted by the FCC on September 4, 2005. The authority requested herein will permit the provision of communications services in areas affected by Hurricane Katrina.
