RE: New Skies Networks, Inc.
Bristow, Virginia – Ku-Band Earth Station
Request for Special Temporary Authority (STA)

File Number: SES-MOD-20051213-01731 **Accepted For Filing PN Date:** 01/18/2006
Callsign: E000102 **Action Taken PN Date:** None
Status: Accepted for Filing Public Notice **Date Filed:** 12/13/2005

New Skies Networks, Inc. hereby requests a Special Temporary Authority (STA) for the Ku-Band earth station located in Bristow, Virginia. This STA is desired and necessitated by New Skies Networks, Inc. for testing and operational purposes beginning on January 23, 2006 for a 30 day period. The application for this site was filed on December 13, 2005 and did not appear on Public Notice until January 18, 2006. The reason behind the time frame delay from filing of the application to acceptance for Public Notice is unknown and was beyond the control of the applicant. This filing is for a routine licensed earth station (3.7 Meter) for operation in the standard Ku-band.

Since this time frame delay was not the result of any action or inaction by the applicant and will present testing and operational delays beyond the control of the applicant, this STA will allow the applicant to meet the required windows for testing and operation of this facility.

Thank you for your assistance.
