**REQUEST FOR SPECIAL TEMPORARY AUTHORIZATION**

**Call Signs E060187 and E060188**

DIRECTV Enterprises, LLC ("DIRECTV") hereby requests special temporary authorization ("STA") to operate the above referenced Ka-band earth stations for up to sixty (60) days beginning June 16, 2006, while its license applications are being processed (*see* File Nos. SES-LIC-20060524-00884 and -00885). These applications have been accepted for filing. *See* Rep. No. SES-00824 (May 31, 2006).

The requested STAs would serve the public interest by enabling DIRECTV to begin satellite reconfiguration and uplink balancing for both antennas with the SPACEWAY 1 and 2 satellites, further enhancing the development of infrastructure used by DIRECTV to retransmit local digital broadcast signals to its subscribers.

The public interest clearly favors grant of this application, and DIRECTV requests that it be done as expeditiously as possible.
