**Re: File No. SES STA 20060713-01155.
Schering-Plough Satellite Earth Station STA Application.**

Dear Mr. Kotler,

This is in order to update and clarify the information on Schering-Plough's application File No. SES STA 20060713-01155. I am pleased to confirm the following information:

1) The specific satellite to be used is:

Name: IS-905

Orbital Location: 335.5 Deg E

2) The emission designation for both transmission and reception is:

717KG1D

We remain at your full disposal for any further clarification and/or information required.

Best regards,

Carolina Gerding
Counsel
