## **12. Description**

The applicant requests temporary authorization to transmit on a new 7.6 meter Ku-band antenna in order to eliminate uplink rain fades currently being experienced from an uplink at another location. The uplink rain fades are causing regular and substantial program interruptions to an existing service. An FCC Form 312 has been filed (Submission ID 2006002001) to modify an existing station (E970116) to include the authorization for this antenna.
